## A UNIQUE, STRUCTURED AFTER-SCHOOL CHEER PROGRAM

MAJOR CHEER, LLC is proud to offer franchise opportunities in your area! Our After-School Cheerleading Program has been in operation since 2000. We provide classes that teach the fundamentals of cheerleading in a fun & creative atmosphere. Parents love our program because they see their children learning a sport and having fun. Also, it's "easy" for the parents as MAJOR CHEER is immediately after school. Great routines and awesome music keep the students engaged and excited about learning the sport of cheerleading.

While we believe that our longevity and success in this business and industry speaks for itself, we understand how important it is for you to know a bit more about us. It was not our original goal to franchise – however, once we realized how many schools, students and parents (and potential partners!) could benefit from an expansion of this program, we knew it was a natural next step. Through all of the years sowing into the program, we are ready to help you reap the rewards.

## MAJOR CHEER FOUNDER

In 1996, Stacey, a former cheerleader, choreographer and dancer, and Major Cheer founder, enrolled her kids in a rural elementary school in Florida and quickly realized the need for an after-school cheer & dance program. Stacey's passion and expertise led to the start of a unique after-school cheerleading program, Cheer Jam.

The program began to expand and now, we are excited to announce MAJOR CHEER! With more than 400 students throughout the state of Florida involved in MAJOR CHEER, we are excited to watch the program grow.
